Table 3-C

Legend for data columns :

- image** : file name
- npout** : outer box size (pixels)
- npbkg** : background perimeter area size (pixels)
- npin** : inner box size (pixels)
- jpix** : Jupiter size (pixels > 5*avebkg)
- avebkg** : average background brightness
- jsum** : Jupiter brightness integral
- jarc** : Jupiter size (arcsec)
- jupave** : average brightness (B/Bsun/pixel) for Jupiter.
